An invitation to join the Warrick County Chamber of Commerce...

Your investment in the Warrick County Chamber not only helps your business but other businesses in Warrick County and those that market to our local area. Some of the programs and services offered by the Warrick County Chamber include:

- Supports growth of existing business and industry
- Promotes new business and industry i.e., ribbon cuttings, grand opening, anniversaries
- Provides monthly business to business networking opportunity
- Actively promotes tourism throughout Warrick County, Visit Warrick
- Advocate for local, county, state, and national levels of business
- Supports Economic Development
- Actively posting on social media with rapidly increasing engagement rates
- Monitors local Government happenings
- Provides information for those looking to live or work in Warrick County
- Maintains website with links to Chamber businesses
- Job listings and job fairs for applicants and businesses seeking to hire
- Insurance partnership through United Healthcare
- Listings on our community calendar of events and things happening in Warrick County
- Partner with *Visit Warrick* for additional advertising and networking
- Discounted goods and services through our Member-to-Member discount program
- And much, much more!

We recognize that each entity is unique and that not all chamber members have the same needs or expectations. That is why the Chamber of Commerce offers a range of membership levels that allows you to customize and determine your level of investment that is best suited for your business.

If you feel that the Warrick County Chamber of Commerce could be a great fit or even if you are hesitant, the chamber staff would like to sit down and discuss a compatible plan. We want to learn about your business and review options with you to ensure it is an investment that is worthwhile.

We look forward to working together and continuing to make Warrick County a great place!

Mission... To provide leadership & resource in support of business and partnerships that promote favorable economic growth in Warrick County
